Although New-Cars. All specifications, prices and equipment are subject to change without notice. Coronavirus update: New contactless services to help keep you safe. No one knew about the truck and could not find it to provide pictures or more information. Sales person called and said they could not find the truck but would call me back, I never recieved a call back. Would not give price in chat and not listed online. Woody was great but the total experience was awful. Not very pleasant gave me the run-around apparently the truck has went to auction weeks or months previous could not find the vehicle will not deal with them again. Have to give one star to add input. The dealer never responded but I went anyway. When we arrived, we could see the van but we were told it was on hold and that they had nothing else, good bye. Salesman Tim told me I was approved for a the car and I told him I would be there the following day. I drove 2 hours only to be told the car was sold the day before. Lithia Chrysler Jeep Dodge of Grand Forks were helpful but I wasn't able to make a deal since they would not allow my trade-in Quick response time. Had the car washed and ready for a test drive before I showed up. Tyler H. And the Tidewater Imports crew were amazing. His service was impeccable and he stayed in contact every step of the way. I recommend anyone looking to purchase a reliable vehicle for a great price to check them out. A very satisfied customer. Dealer had several cars that would have fit my needs and were priced attractively BUT when we went to the business no one was wearing masks and in this stage of the pandemic in Oklahoma I did not feel safe. Sales lady did not want to work with me on the price said her boss was going to buy the truck that's why they had had it for so long. Then told me I was not going to find a better deal. I enjoyed my experience at automax and did actually find a vehicle that fit my needs there. If I could make one remark it seems like they have vehicles advertised that don't actually exist on the lot. The listings are often months old and have been reported to the app but it seems like nobody is going to take the listing down. Kind of a classic bait and switch tactic but it worked on me so what can I say? From start to finish I had a great experience! Marcy called me and gave me information on several trucks I had inquired about. Then her dad Robert sent me additional pictures and even video of a few trucks. They were able to get me pre approved in minutes over the phone which made the process smooth and simple. I called about the truck and said my husband and I would be down the next day as it was a 3hr drive. When we arrived the man said he just took a down payment on it but could set us up with a different truck. NO WAY!!! What is that called when they bait you with a fake offer? Idk but They went all out to meet my demands and needs. Great service, I will definitely purchase from them again if needed and send customers their way. I tried to get the chair and the microwave- no luck tho, lol. These guys went above and beyond. Made sure everything was perfect for my car. My husband and I got a good car at a great price and we will definitely be buying from them again in the future. Highly recommended! TLC Motors lied to me about the condition of the car. I told them the low tire pressure was on, and they said it was broke, which it wasn't. They sent me home with a flat tire, with 7PSI in it, knowing I drove 3 hours there. When I called them they didnt care, since they already had my money. They told me the car had AC but it actually had a massive leak, they put enough freon on it to make it seem like it was fine. Very VERY disappointed. I've never been so disrespected. Ran my credit said I was approved but for a truck to expensive I didn't want one that expensive said they sold all others there were in the price range I wanted I wouldn't recommend them. We'll help you find great deals among the millions of vehicles available nationwide on CarGurus, and we'll provide you with dealer reviews and vehicle history for each one.
